Professional Experience

Crew Leader - Sports Court Construction

2019 - Present

Utah Court Surfacing, UT

- Lead crews in installing and resurfacing pickleball, tennis, and multi-sport courts across Utah.
- Operate specialized equipment, apply surfacing systems, and ensure accurate layout and line marking.
- Coordinate daily job schedules, materials, and on-site problem solving to keep projects on track.
- Communicate with clients, contractors, and city representatives to deliver high-quality finished courts.

Founder - Old Chief Leather Co.

2023 - Present

Personal Brand & Small Business

- Design and handcraft leather goods inspired by rugged, simple outdoor gear and family heritage.
- Manage product design, pattern making, cutting, stitching, finishing, and quality control.
- Create product photography and video content for social media and online promotion.
- Handle customer communication, orders, and fulfillment as a small business owner.

Creator - Ambulance Tiny Home Conversion

2024 - Present

Personal Design & Build Project

- Designing and building a functional living space inside a retired ambulance, including layout, storage, and finishes.
- Planning and working on electrical (battery bank, solar, inverter), insulation, and comfort systems.
- Using woodworking and basic construction skills to build cabinetry, seating, and custom furniture.
- Experimenting with Fusion 360 and 3D printing to create custom brackets and components.
